Subject:- Issue of building safety certificate regarding.

Ref:- KV letter no. F-1857359/KVB/2021-22-135, dt. 26.07.2021

Sir,

As per visual inspection done by Assistant Engineer – IV and Junior Engineer on 04.08.2021, it is certified that school building is safe as on date to use, provided periodical maintenance work including painting to be done. Boundary wall at some location is required to be reconstructed for approx 150 m length.

Major repairing including painting etc is required in almost all staff Qtrs to extend the service life of buildings.

Yours Sincerely

Executive Engineer
Tripura Central Division-I
